Basic Smoothie Recipe

- 2 scoops protein powder (Rainbow Light, highly recommended)
- ½ to 1 teaspoon metafiber or powdered flax fiber
- 1 Tablespoon flax oil or fish oil
- 1 to 2 capsules probiotics **STIRRED** into blended smoothie (OPTIONAL)

Combine protein powder, metafiber, and oil together in a blender with 12 to 16 ounces of water or rice/almond/hazelnut/hemp milk. Add fresh or frozen blueberries, raspberries, strawberries, or blackberries into this mix for taste and/or texture. Goat or water buffalo yogurt can be added also for texture modification. Uncap probiotic capsule(s) and **STIR** into blended smoothie.

REMEMBER:

DO NOT turn on blender to incorporate the probiotics.
STIR/FOLD them into the mixture.

Drink 1 to 2 smoothies per day.
